

# Come Celebrate!

## “15 Hours for 15 Years!”

St. Luke's Mission of Mercy is celebrating 15 years of serving God's people on Buffalo's East Side and throughout the WNY community! We've come a long way, and we want to share this time of joy with you and your family. We have planned a day of prayer, food, music, and so much more. Look below at the itinerary for the day; come for an hour or spend the day with us! There will be a few surprises along the way, so don't miss it!
