Looking for The spirit of Christmas?

Look no further! St. Luke's Mission of Mercy is brimming over with opportunities to serve others this Christmas Season. Most especially, we need individuals, families and businesses to sponsor needy St. Luke's families for Christmas! It's easy to do, and will fill your heart with joy! Call St. Luke's today at 894-4476 and ask the office staff how you can adopt a family. You will be provided with names, sizes, likes and dislikes to make your shopping easy. This year, instead of the office gift exchange, give your co-workers the opportunity to help someone who won't be able to provide their children with the bounty we have all come to expect. Or, consider a family gift as so many others have. Instead of exchanging gifts this Christmas eve with the relatives, invite them to buy for a needy family. You will all be glad you did!
