The stockings  
will be hung by  
the chimney  
with care...

In hopes that  
St. Nicholas  
soon will be  
there!

...to fill the  
stockings with...

Please help us celebrate Christmas in July as we kick off our Christmas Toy Drive! Through your generosity, last year we provided new toys to thousands of children from several hundred families.

Given the current economic situation in Western New York, we expect to serve at least the same number of children as in past years. As our numbers grow, we find ourselves needing to start our drive early. This allows us to take advantage of sales on toys as they are available and to accumulate toys over a longer period of time.

If you are interested in contributing, please drop off **new** toys at the Mission or consider a monetary donation. Checks should be made payable to **St. Luke's**

**Mission Toy Drive** and returned in the enclosed envelope. Any donation will help to bring a smile to a local child's face this Christmas.

We are also interested in partnering with local businesses, schools and social organizations who may be interested in holding a toy collection for the children we serve. If you or anyone you know could help us in that way, we would be so grateful. Simply give us a call at the Mission and we will be happy to make those arrangements. Please call the Mission at 894-4476

There are only 159 more shopping days until Christmas so the elves really have to get working! Thank you for any help you can offer us. May God continue to bless your generosity.
